

CEO & Co-Founder (m/f/d) for Industry B2B Marketplace Venture

Berlin, Co-Founder

This is an opportunity to shape and build a digital B2B marketplace venture from day one. The business will operate in a classical industry environment and will establish a novel online platform with the potential to transform the whole supply-chain in its ecosystem.

Your responsibilities

- Shape and implement the strategic direction of the venture
- Build your own team and business organization
- Develop, launch, and operate an online-marketplace within a short time frame
- Do what you see fit to make the venture successful as a co-founder

Your profile

- University degree in a technical subject, economics, management, business administration or similar
- At least 5 years professional experience and operational responsibility in fast-paced business environments
- At least 2 years professional (non-digital) management experience in industry or B2B context
- Experience in lean development and implementation of digital business models, particularly marketplaces and/or platform businesses
- Previous entrepreneurial experience is a plus
- Strong analytical, organizational, and leadership skills
- Fast and comprehensive understanding of new technologies and applications
- Focus on implementation, pragmatism, integrity, and strategic solutions
- You are able to build an international, competent, motivated, and balanced team
- Structured, self-driven, enthusiastic, reliable, and resilient personality
- German and English business fluent in written and spoken communication

The offer

- Substantial shares in the venture
- Competitive salary
- Shape your own work environment and team
- Support from a driven, openminded, and pragmatic industry leader as strategic investor
- Full-time occupation based in Berlin, Germany

This is a unique, challenging, and potentially very rewarding chance for an entrepreneurial-minded personality motivated to found and build a novel business.
